- camp exchange, last year Liz Brene Gonzalus from Cuba spent time at Camp Bimini and this year two young people will go to a camp in Cuba as part of the exchange program
- a request was received to send a letter of support for the village of Susiya in the South Hebron Hills. A village sandwiched between Israeli settlements, has been consistently denied building permits, basic infrastructure and has always faced a constant threat of demolition, as it is unrecognized by the Israeli Civil Administration. On August 3, 2010 a group of Susiya's residents, along with Rabbis for a Human Rights, petitioned the Israel High Court of Justice (HCJ) against the actions of Israeli soldiers and settlers in the West Bank. They asserted that soldiers and settlers consistently denied access of Susiya's residents to their land and that soldiers failed to adequately protect Susiya's residents from settler violence. Recently, a right-wing organization named Regavim, submitted a counter-petition to the HCJ, requesting that all "illegal outposts" in the Palestinian village of Susiya be destroyed by the ICA immediately. As a result of Regavim's petition, there exists a real and immediate danger that 30 homes and 42 other structures, including Susiya's school, health center and cultural center will be demolished momentarily. If Regavim's petition is successful, it would displace all 320 residents of Susiya, 150 of who are children, and set a precedent for other Palestinian villages in the South Hebron Hills & Area C, which is 62% of the West Bank.

**Motion:** Moved by Charles Love and seconded by Lloyd Karges that Huron Perth Presbytery write letters of support for the Urgent Action request on behalf of the Palestinian village of Susiya and circulate such letters as requested in the Urgent Action Request and invite congregations to write letters also.
